Support a wonderful non-profit organization that is making a difference in the lives of others!

Simply Outdoor Experiences is a group which focuses on helping people reconnect with nature. We provide exciting opportunities for individuals interested in trying new experiences in a safe and comfortable surrounding. We believe that through our thoughtfully coordinated events, that this will help individuals rediscover their passion for outdoor activities. Simply Outdoor Experiences holds one day events for people of all ages and backgrounds; children, adults, single parents, veterans, and people with special needs to name a few. Our staff adjusts their instruction and activities to individual needs in order to empower each individual to succeed. Simply Outdoor Experiences provides all the fishing gear, bait, and professional guides for these activities to help ensure that the experience is a positive one. Our hope is to hand down the skills we teach to the next generation for safe keeping, and to ensure a future of inviting outdoor experiences for many generations to come!

We accept donations of all kinds and they are greatly appreciated! We accept monetary donations as well as new or used fishing gear, new or used hunting gear, and anything that has to do with the outdoors. We also accept items for silent auctions to help raise money so we can keep on making memories! Thank you in advance for your donation!

**Tickets are \$40.00 per person and can be purchased at the door or
online at: www.simplyoutdoorexperiences.org**
