Since 1944, Heifer has provided food and income-producing animals and training in their care in more than 125 countries. At the heart of Heifer’s philosophy is the Cornerstone of Pass on the Gift whereby families share one or more of their animal’s offspring with other families in need. This strategy creates an endless circle of giving that stretches around the world making lasting change possible.

Purchase gifts before or at the event to give to friends and family. Think about some early and easy Holiday gift shopping, birthdays, anniversaries, etc. Gift cards suitable for presentation will be available.
