A FUNDRAISER FOR THE

A year after Erik and Shannon Koenig's son, Nicholas, lost his 2½ year battle with Acute Myeloid Leukemia (AML) on August 16, 2011 at the age of 4, the Nicholas P. Koenig H.E.R.O. Foundation was formed. Our foundation is committed to raising money as a non-profit organization for families dealing with pediatric cancer, for pediatric cancer care at the University of Minnesota Children's Hospital, and through funded scholarships.

The Nicholas P. Koenig H.E.R.O. Foundation is a donor-advised fund of The Initiative Foundation of Little Falls, Minnesota, which is a 501 c(3) community foundation.
