

# CLIMATE CONVERSATIONS: AN EVENING OF DIGGING DEEPER

**Bethlehem Lutheran Church** invites you to participate in an interfaith dialogue presented by **Minnesota Interfaith Power & Light**

Research shows that **70%** of Americans believe in climate change, but less than a third ever talk about it. **Let's break the silence!**

**Join us** as we explore how it works to really engage in a conversation about our hopes and dreams for the future. **Learn to listen** and hear many different perspectives about climate change. **Share your vision** of how we can be stronger together.

**THURSDAY, OCTOBER 30**  
**6:30 - 8:30 PM**  
**BETHLEHEM LUTHERAN CHURCH**  
**4310 COUNTY RD 137**  
**ST. CLOUD, MN**

Looking forward to a rich night of  
conversations and learning!
