

Benefit for Lynette Holtberg

Sunday, September 20,
2015
St. Cloud Eagles

Lynette Holtberg was born and raised in Brooten, MN and graduated from Brooten High School in 1972. She continued her education at Brainerd Technical College where she graduated with her nursing degree. She and her husband Rick were married in 1974. They then moved to St. Cloud to start their family. She worked as a nurse for 30 years at various positions before retiring in 2004 from Health Partners in St. Cloud. She has worked for Home Instead Senior Care for 8 years.

In December 2012, at the early age of 58, Lynette was diagnosed with Stage 3 Metastatic Breast Cancer. She endured many months of chemotherapy and radiation. In early 2013 she was then diagnosed with metastatic cancer in her neck. The doctors proceeded to give another round of chemotherapy and radiation. March 12, 2015 a new diagnosis of Breast Cancer with metastasis Stage 4 was given. The doctors are treating with oral chemotherapy, possibly for the rest of her life.

Through all of this she has stayed strong and positive and continued to be a loving and giving wife, mother and friend.

Please help us give back to someone whose life has always been dedicated to those around her.
