

Moonlight Ski

Friday,
January 8, 2016
from
6:00 to 10:00 p.m.
at Quarry Park

The annual Moonlight Ski event is scheduled for Friday, January 8, 2016 from 6:00 p.m. to 10:00 p.m. at Quarry Park and will go on with or without snow. If there is no snow, the event will be a winter hike along the trail lights.

The [Nordic Ski Club of Central Minnesota](#) and the [Stearns County Parks Department](#) team up to offer an evening of cross country skiing or winter hiking, fellowship and food at [Quarry Park and Nature Preserve](#), 1802 County Road 137, Waite Park, MN 56387 during the Moonlight Ski event.

A park vehicle sticker is not required during this event.

If there's snow, skiers of all ages and abilities are invited to participate. The groomed classic and skate cross-country ski trails at Quarry Park provide easy trails with a few moderate hills. The trails are scenic and sheltered from the wind. Evening activities include cross-country skiing or hiking on the 4.2 mile lighted cross country ski trail, an outdoor campfire, a drawing for prizes, as well as sharing hot chocolate, cider, chili, dessert and snacks folks have brought to share in the heated park office building.
