

Call for Justice, LLC's Greater MN Legal Liaison Program

Tuesday, September 20, 2016 **1:30 p.m. to 4:30 p.m.**

Call for Justice, LLC works to connect low- and moderate-income people with civil legal resources. We are a “hub” of information related to the civil legal system and we broadcast about new programs aimed at connecting people in legal need with attorneys and legal resources.

One of our initiatives is the “Legal Liaison Program” (LLP), which connects social service providers and nonprofit legal providers in an effort to improve communications about legal needs/resources and as a way to foster collaborations. Many times, those collaborations help increase civil legal access for people in legal need. **Our meetings involve programming on civil legal resources and speed networking.**

- *Did you know...it's possible for a low-income person to obtain legal advice online from an attorney anywhere in Minnesota at any time of the day?*
- *Did you know... its possible to obtain a legal resource referral 24/7/365 and talk to a real person?*

As a result of numerous requests to expand the LLP to greater Minnesota, we've scheduled a Legal Liaison Program for the afternoon of September 20, 2016 in the meeting room of the Great River Regional Library. We've collaborated with local organizations to bring this program to St. Cloud. We'll cover both local and state-wide legal resources that are available to low income persons in the St. Cloud Area.

We invite social service providers, nonprofit staff, church organizations and nonprofit legal providers to join us! The event is FREE!
